

#February  
#ChangeTheAtmosphere  
#FamilyFirst

Pray to God for the peace & prosperity of the city, for if it prospers, you too will prosper!

PLANT the SEEDS

This is our 6<sup>th</sup> year of 365 days of continuous prayer! In 2017, we claimed ground (Josh 1:3)... in 2018 we will ask God to shift atmospheres & bring #SeedsOfChange in every area of claimed ground.

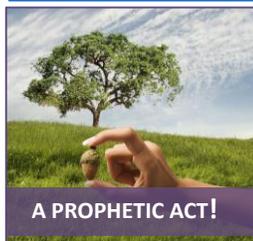

**'The most transformative action we can take for the Kingdom is being engaged & planted where God places us.'** Graydon Bishop

FAMILY FIRST

Seek **'the peace & prosperity'** ...in the family...in which God has planted you. Call each member by name. Thank God for them, linger here & hear what the Father says over each person.

**'It's not what you gather but what you scatter that tells the kind of life you lived.'** Golda Meier

A PROPHETIC ACT!

Scripture is full of prophetic acts eg John 9:6-7. Gather as a family & decide what you want to 'plant' in 2018. Use your seed-embedded card & follow the directions. Nurture these seeds with prayer. Use the Amplified Bible & declare Zech 8:12 over your family: **'For there the seed will produce peace & prosperity...'**

**'Every seed you sow, eventually has a payday.'** Jennifer Eivaz

## Seedlings

This month we will be praying for our family. Grab your Bible and find Jeremiah 29:5-7

**'Also, seek the peace and prosperity of the City...Pray to the Lord for it, because if it prospers, you too will prosper.'**

How old were you 6 years ago? That's when our church family began the #365Watch prayer every single day of the year! Now you are a part of this too!!!

### Family First!

What do you think **'seek peace and prosperity'** means?

Let's seek or ask for peace and prosperity in our own family. Pray for each person by name.

### With a prophetic act!!

Your Bible is full of prophetic acts. Here's an example...read John 9:6-7. Work out the prophetic act!

We are planting seed-embedded cards as a prophetic act as we pray for our family. What would you like to 'plant' in your family in 2018?

**'Every seed you sow (plant), eventually has a payday.'** Jennifer Eivaz
